

Alphabet & Line Tracing Book for Kids

Learn to trace lines and letters
step-by-step with fun colorful pa-
ges

Ages 2-5
Tracing
Made Easy

About This Book

FunLivo Alphabet & Line Tracing Workbook is a complete early-learning book designed for Pre-Nursery, Nursery, and Kindergarten kids. It helps children build strong handwriting, letter recognition, and fine motor skills through easy, step-by-step tracing patterns.

WHAT'S INSIDE

1. Line Tracing Patterns (10 Pages)

- Standing lines, sleeping lines, slanting lines, zigzag, curves, loops, and waves.
- Helps kids develop pencil control and hand-eye coordination before writing letters.

2. Uppercase Alphabet Tracing (A-Z, 26 Pages)

- One capital letter per page with dotted lines for tracing.
- Includes simple tracing arrows to guide correct stroke order.
- Each letter has an associated object image (A for Apple, B for Ball, etc.) for word association.

3. Lowercase Alphabet Tracing (a-z, 26 Pages)

- Separate pages for each small letter.
- Builds continuity and recognition after uppercase learning.

4. Letter Combination Pages (26 Pages)

- Each page shows both uppercase and lowercase together with an object image, word spelling, and tracing pattern.
- Example: A a - Apple -> trace both A and a, then color the apple.

5. Certificate of Completion (1 Page)

- Reward kids after finishing all tracing pages to keep them motivated and proud of progress.

LEARNING BENEFITS

- Develops pre-writing and fine motor skills
- Improves letter recognition and vocabulary
- Builds hand-eye coordination and pencil grip
- Encourages focus, patience, and creativity

HOW TO USE

- Begin with line tracing pages to warm up.
- Move to uppercase letters (A-Z).
- Introduce lowercase once child gains control.
- Practice both forms together using letter-object pages.
- Finish with the completion certificate.

BOOK DETAILS - Age group: 2-5 years (Pre-Nursery to UKG) - Total pages: approx. 95-98 printable pages - Format: PDF (printable at home or classroom use) - Created by: FunLivo Learning Studio

"Let's Start with Lines!"

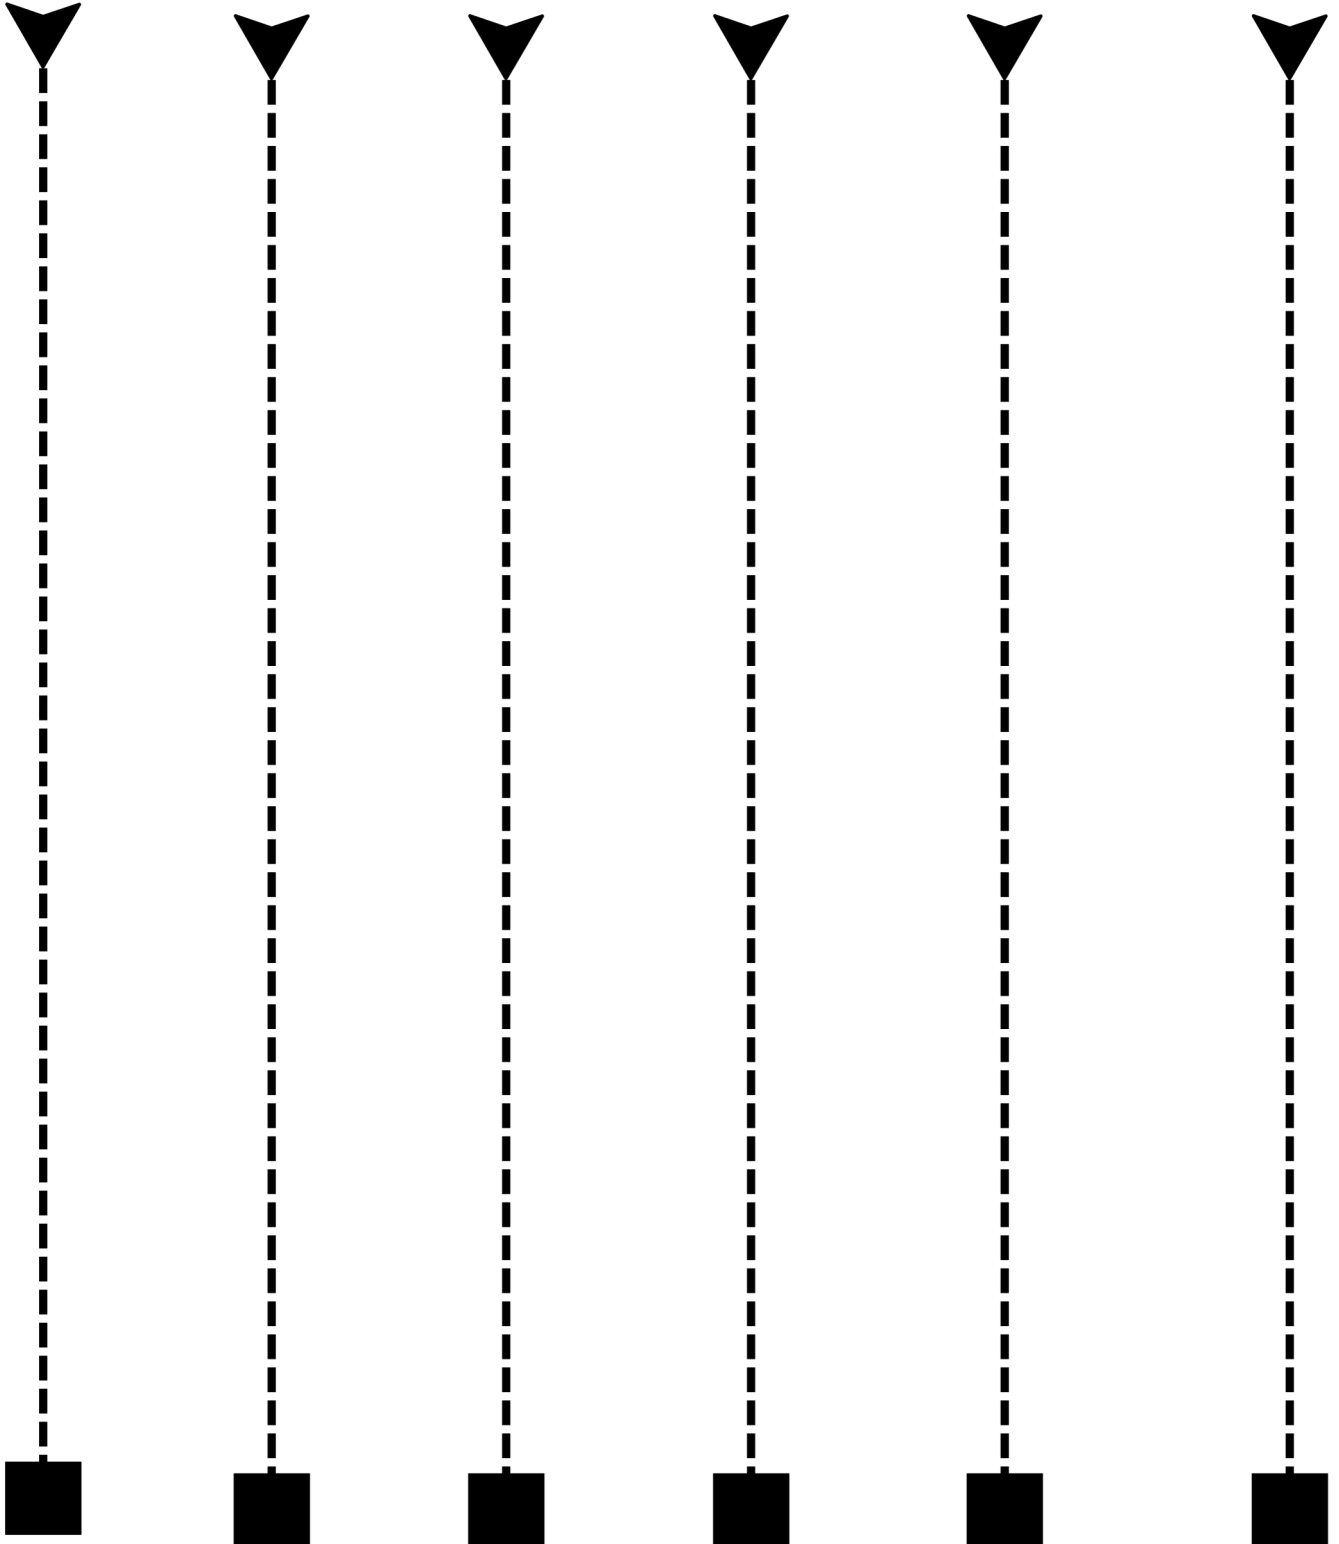

Before we write letters, let's practice tracing simple lines.

Follow the dotted patterns - standing, sleeping, slanting, zigzag, and curve lines.

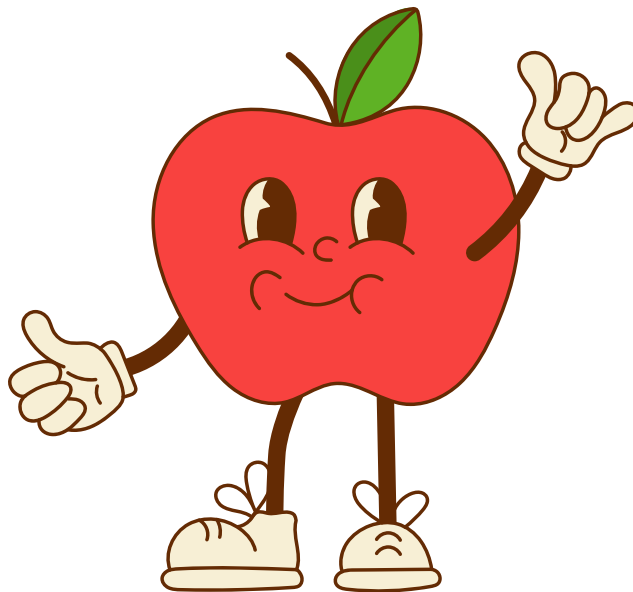

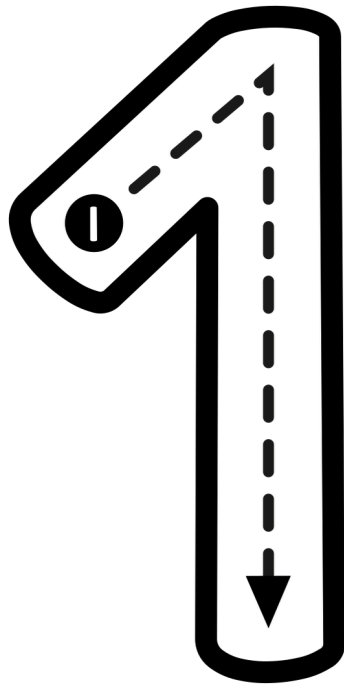

These lines help your hand get ready for perfect writing!
