

# ★ TRACING NUMBERS

## 1-20

For Ages 3-5

# ABOUT THIS BOOK

Designed for ages 3-5, this workbook helps

young children improve pencil control and learn to trace lines and numbers confidently from 1 to 20.

Fun line-tracing activities build pre-writing skills and hand-eye coordination, while number tracing and engaging "count and circle" exercises reinforce early math concepts.

## Skills Developed:

Pencil control &  
★ line tracing

Number formation

★ Counting &  
★

★ observation

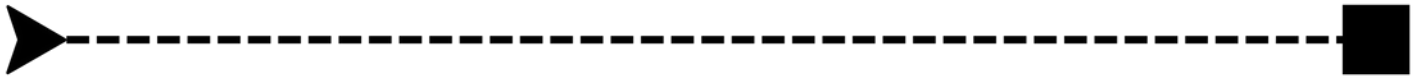

## Perfect for:

Home learning

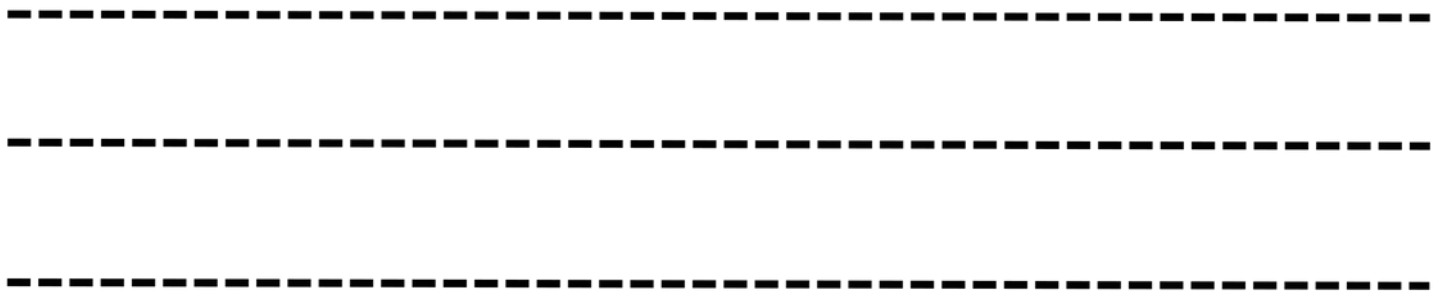

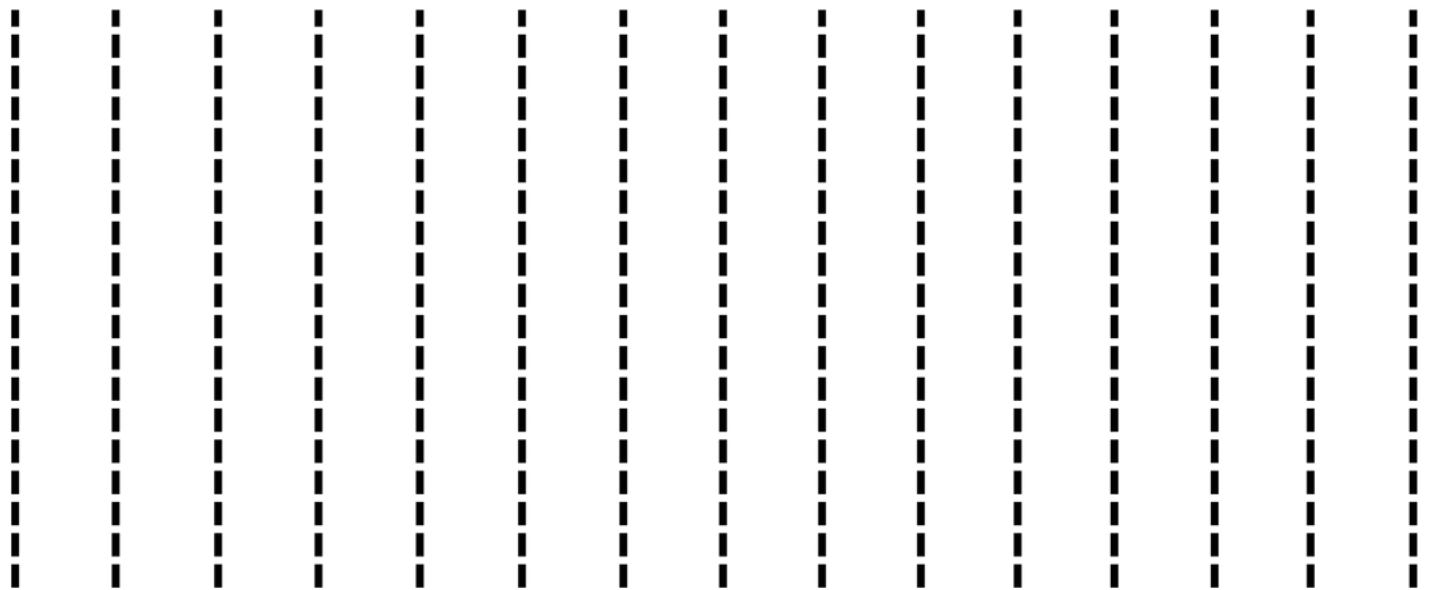

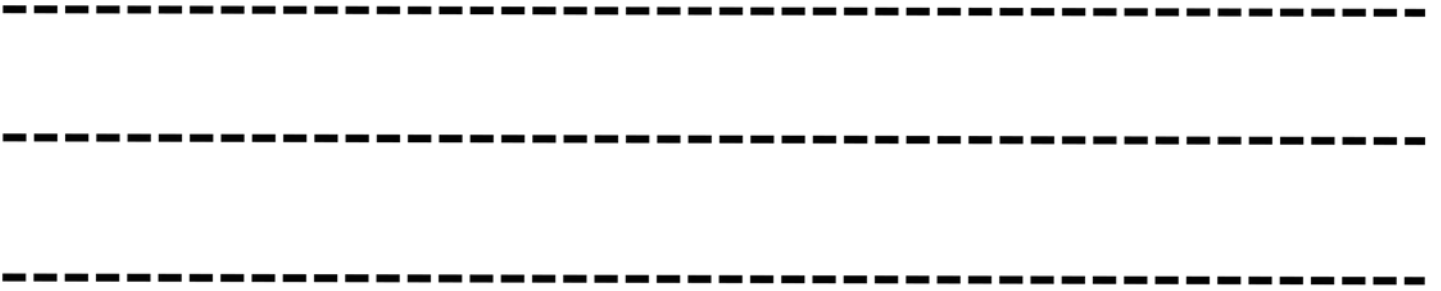

Preschool practice
