

# ABOUT THIS BOOK

Trace & Color Shapes Workbook  
Ages 3-6: 10+ Fun Activities!

What Your Child Will Learn:

- Recognize 10 basic shapes (circle, square, triangle & more!)
  - Practice fine motor skills through tracing & coloring
  - Build early math skills: counting, patterns, matching
  - Get creative with dot markers & themed scenes

How to Use:

- Print on A4 paper (black & white OK - kids add color!)
  - Use crayons, markers, or dot markers
  - 10-15 minutes daily for best results
- No prep needed - perfect for home or preschool

Skills Covered:

Tracing | Coloring | Shape Recognition | Patterns | Matching
