

About This Book

Welcome to Colors

Welcome to Colors is a fun and engaging early learning workbook designed to help young children **recognize, identify,** and use **colors** confidently through hands-on activities.

This book uses **simple visuals**, coloring tasks, matching games, and cut-and-paste activities to make color learning enjoyable and effective for toddlers and preschoolers.

Recommended Age: 2~5 years

Format: Printable workbook

Adult supervision recommended for cutting activities

How to Use This Book

- ✓ Start with the **color chart** page to introduce all colors.
- ✓ Work on **one color at a time**:
 - Say the color name aloud
 - Let the child color the object
- ✓ Help them **identify** the correct color objects
- ✓ Move to **matching, circling,** and **cut-paste activities** after basic recognition.
- ✓ Repeat pages if needed – learning happens through **repetition**.
- ✓ Praise effort, **not perfection**. Learning should stay fun.

You can use **crayons**, colored pencils, or markers.

Benefits of This Book

- ★ Makes color learning **simple** and **stress-free**
- ★ Builds early confidence through guided activities
- ★ Encourages **independent learning**
- ★ Perfect for **home learning**,
- ★ Focus and **attention**
- ★ Early problem-solving
- ★ Pre-writing **skills**

Tip for Parents:

- ✓ Spend just **10~15 minutes** a day.

Short, playful sessions work best for young learners.
